

The Understudies

The Understudies is a membership group for New York professionals in their 20s and 30s dedicated to celebrating, supporting and promoting the mission of MCC Theater: to develop and produce new work and foster young talent and emerging artists through our Mainstage Productions, Playwrights' Coalition and Education & Outreach/Youth Company (YC) programming. It is our goal that The Understudies will help us build a strong foundation of young arts enthusiasts whose commitment to MCC will help champion our theater as we continue to grow in all programming areas.

Your membership entitles you to a unique behind-the-scenes experience at MCC Theater.

As an Understudy Patron, you will be invited to attend exclusive events with the amazing artists and dedicated staff that makes MCC an exciting cultural destination. You will also have the opportunity to book house seats for all of our Mainstage productions and to share the MCC experience with friends with exclusive discounts on additional tickets and guest privileges for special events. Invitations to all Patron events and notification on how to book your house seats will be sent to you prior to the start of performances for each show.

Members of The Understudies make annual contributions of \$250 or more and are thanked for their commitment and generosity with numerous benefits as outlined below:
